Staff Admin - Semarang, Indonesia

Apr 2010 - Jun 2011

PT. Carakayasa (Agent)

The company operates in the logistics and expedition sector, specializing in the transportation and delivery of goods. It focuses on ensuring efficient and reliable shipping services for various types of packages, catering to both individual and business needs. With a commitment to timely deliveries and careful handling of shipments, the company continuously improves its logistics processes to enhance customer satisfaction. By utilizing modern tracking systems and optimizing delivery routes, it aims to provide seamless and cost-effective expedition services while maintaining high standards of reliability and professionalism.

- As part of my responsibilities in package administration, I handled various tasks related to shipment management. This included recording shipment details, documenting tracking numbers (resi), and ensuring accurate data entry for each delivery. Additionally, I assisted in physically handling packages by lifting and organizing items that were ready to be shipped. My role required attention to detail, efficiency in managing logistics records, and the ability to handle packages safely to ensure smooth shipping operations. Through this experience, I developed strong organizational skills and gained practical knowledge in package handling and shipment documentation.
